“ I just received the sad news and extend my sympathies to all of her family. When an administrative day was particularly stressful or upsetting, I would meander down the hall to Bonnie's room or the auditorium, where I would sit down and be transported to a relaxing musical oasis. This talented woman worked magic with her young charges and WAMS was most definitely better off for her many successes. Sincerely, John Toppin

“ I met Bonnie when we were teaching at WAMS. We got to know each other better when we took an evening fitness class at Moorestown Adult School. We had the same birthday so we never forgot each other's birthdays. Bonnie was well liked by everyone at WAMS. My sincere condolences to her family.

“ Bonnie touched many lives with her talent, and humor. I was so lucky to have known her and been included in her "Gang" of girlfriends from Moorestown High School. She is incredibly precious to me. She will be sorely missed. Thank Heaven for the memories. Carolyn Kosdemba
