“ The Benigni family in Cincinnati would like to express our deepest sympathy to all of the Bunker/Howland family! Our mother Nora (Nonie) Davitt was a very special friend of your mothers from grade school through high school! She told us many wonderful stories of the Bunker family! They remained life long friends! We last saw Betty a few years ago when she visited Cincinnati with Susan! What a wonderful time we had reminiscing! What a remarkable woman! We will miss her!

“ I could not ask for a better grandmother! “BoBo” introduced me to the music of Frank Sinatra, countless classic movies (I hope I can still find her “must watch” list she wrote down for me several years ago), and some really good dirty jokes that she claims she only heard because of the men in her life. :) BoBo had an ageless/beautiful/poetic/engaging soul, and I am sure all who knew her will agree that their lives are fuller because she was a part of it. Love you, BoBo!

“ When she was visiting Patty in 2018, the three of us played Scrabble and she KICKED OUR BUTTS!! It was so fun! She was such a bright spark!

“ Aunt Bo was always very special to our family. She was Dave's godmother and we always felt a wonderful bond with her. She babysat our kids when they were younger and we felt like she was a part of our family. I admired her zest for life and how she always tried to see the positive side during difficult times. She will be sorely missed on this earth. May she rest in peace with the Lord. Love and miss you, BoBo!

“ We called her "Aunt Bo" even though she was our great aunt. I have very fond memories of her standing in our kitchen singing, telling stories, and making us laugh. She loved life and truly lived it to the fullest. I know she and my dad (her nephew) had a very special relationship as well. Sending lots of love to you all during this tough time!

“ To Susan, Peggy, Robert and Patricia:

I'm so sorry to hear of your Mom's passing. Aunt Bo was so fun to be around whenever I saw her, truly she did have a zest for life. She came to Jacksonville in 1980 to attend our wedding, which also happened to be the same date as her birthday. Sending prayers to you all.

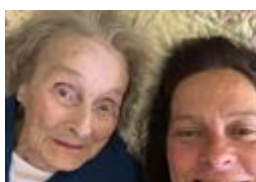

*Sincerely,
Mike Bunker*
