“ *Evie was a very dedicated crew member with both Lenola and Moorestown Squads, back in the volunteer days. I was fortunate enough to have served with her. I sure hope that she realized how much the giving of her time was appreciated.*

She must have also been well liked as a medic. When Evie was sick the first time, I remember a group of medics coming to the firehouse one night and asking me to drive them down the street in the ambulance so they could sing Christmas carols to her.

May she be at peace now.

“ Many memories of Ev. Good times in Wildwood at the Firemen’s Convention, (trying) to teach me how to do the jitterbug at Lenola firehouse, our wedding at my parents house on February 12, 1983 and everyone made it after a big snowstorm! And we can’t forget how we were both catchers for the Shady Ladies softball team because, well, our coaches didn’t know what else to do with us. But, if any of the players got hurt, Evie would always have a first aid kit handy. She was in Merchantville High’s class of ‘69 with my brother Mike. We’re sorry to see you go Ev but you had such a long battle - I once called you “Superwoman”. You’re at peace at last. Say hi to Mike. Love you.
