

Florence "Flo" Cline

August 26, 2022

Florence (Flo) Cline, 88, of Galloway, joined her beloved husband, Marc Cline, on the other side in the early morning hours of Friday, August 26th. Flo spent many years of her life enjoying countless adventures with her late husband, exploring much of the United States, visiting family in Wisconsin, and attending Navy Reunions that Marc organized, as he was a devoted veteran. She often recalled driving through Pennsylvania during autumn, admiring the leaves on the trees and "driving just to drive"; enjoying the beauty of nature. Flo also spoke fondly of her trips to Longwood Gardens, and was able to travel there this past December with her family - a true blessing and wonderful memory for us all. Aunt Flo (as many referred to her as) was a hoot. If you asked her if she needed anything from the store, she would often reply with "a Rolls Royce" or "pheasant under glass", followed by her memorable chuckle. She leaves behind her nephews, Ron Cline (Deb) and Gary Cline (Kevin), her great nephews Patrick Cline (Danielle) and Tim Cline (Curtis), her great great nephew, Max (6), whom she adored, and who adored her as well, her brother-in-law Page Cline (Ruth Ann), as well as many nieces, nephews, family and friends who adored her. Flo is predeceased by her husband, Marc, her brothers Franklin, Edwin, Carroll and Ralph, her sisters Doris, Alberta and Patricia, and her very best friend Dot. We will miss Flo so very much. Her six-year-old great great nephew said it best: "I am so sad she's gone, but so happy she can be with Uncle Marc now." She will be laid to rest with Marc in Arlington National Cemetery - details will come at a later date.

In lieu of flowers, please consider donating to The Gift of Life Transplant House: 205 2nd Street SW, Rochester MN and/or Tin Can Sailors, Inc. (Somerset, MA), and give the Aunt Flo's in your life a big squeeze.

“ Flo and I became close when she came to live with Patrick and my granddaughter Danielle. She was joined by the birth of her great great nephew Max. Max also adored Flo. She was a playmate for him. I listened to her life adventures with husband Marc when he was alive and she listened to my life. In April my husband Bill passed away. Flo was right there for me especially, she knew first hand what I was feeling.
I will truly miss her and family will miss her at all our birthdays and parties as well as holidays.
I hope she introduces our husband because both have such life stories to share.
Love you Flo💕
