“ *I worked with Fred for many years at channel 6. We both had a keen interest in radio communications, and pursued many activities both in and out of work. He was certainly a gentleman and fine person. I will miss his chuckle. Deepest condolences to the family. Herb Kircher*

“ *Very sad to learn that Fred has left us. I have not heard of him in many years but I was a coworker of his at the former WFIL Studios at 46th & Market Sts. from 1960-65. When he was AFRS in Germany we used to correspond using audio cassettes. If another colleague from those days with whom I have kept in contact had not told me I would not have known. My sincere condolences to his family.*

“ *I have known Fred since we were teenage newspaper boys in East Camden in the 1950's. Fred was also a member of my wedding party in October 1967. I'm very sorry that a prior commitment will keep me from attending on Thursday. Jim West*
