“ Fred was a great friend and an exceptional partner. Thirteen years together, but it feels as if he has been part of my whole life. I learned a lot about life from him. So positive, with a wonderful sense of humor - I can't stop smiling when I think of him. He will be missed.

“ Fred was a good friend in LBI - we spent many summers together at the beach - the LEHYC - and cocktails on the decks on Belvoir Ave. He will be missed. The memories are special with Fred- always someone you could count on. Prayers with Lori and family
