“ *Dear Lenher Family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ I will always have such fond memories of Grace. She was a beautiful, gracious woman who loved the Lord and her family with all her heart, and her life reflected that love. I only had the privilege of knowing her while she lived at Virtua, but have been so blessed for having had that time with her. As I reflect on our many conversations together I know how much I will miss seeing her, but am confident that with the hope of salvation, we will meet again.
