“ *Kris - I am so sorry to hear about your Dad. Although I didn't know your Dad well, I know you had a close relationship with him and that you were always talking about something your Dad said or did. I only had the opportunity to meet him once, but he left an impression that I will never forget. What a wonderful man and Dad you were truly fortunate and blessed to have a man such as your father in your life.*

Please pass my deepest sympathies on to your family. If there is anything that you need or I can do, please let me know.

Much Love,

“ *Harry will be missed in the community. He was a fixture at most Mmorestown Planning Board Meetings; often he was the only public member to attend. His infectious smile and caring spirit were his gift to the citizens of the town.*

“ *Harry was a wonderful man who lived life to the fullest. Most importantly, he loved his family; he was a proud dad and grandfather. His dedicated spirit spilled over into the Community, wherever he was needed, whenever he could. I never saw him have a bad day or say an unkind word. We are all better for him having been here. Farewell my friend, 'til we meet again.*

“ *I just spoke to Harry in the post office parking lot on Friday the 18th. He talked about his sister Betty, and that he hoped he lived to do as well as she was doing at 91. So sorry to hear the news and will miss seeing him around the town he so loved. Prayers for Betty and his family as they reflect back on his long and memorable life.*
