“ *Hilda was the most loving most kind most honest women I knew. She was a wonderful loving grandmother to my children. She held them and loved them and fed them as babies, she kissed their boo boo's as toddlers, she listened to them as teens and shared her wisdom with them as adults ~ When her grandchildren were in the room she was always smiling with pride and happiness. I will always remember her when the kids were little she always had a baby or toddler in her arms. The children LOVED being in grandma's arms. My best memories are the weeks we would spend in Stone Harbor as a family on the beach, walking through town just enjoying being together. The holidays and birthdays were always a joyous occasion ~ joint birthdays were always celebrated with chinese take out!! The day after Christmas were always filled with smiles hugs and grandma's cookies!! I could sit and listen to her tell me stories for hours..she had the most beautiful soft spoken accent that just comforted you. I loved her so much and am grateful my children had her as a grandmother. My life has taken a different course but my memories have always remained the same. She was an inspiration to me and to my children and I loved her so so much!! I will miss you and to me you will always be mom and to my children.....grandma!! Love Debi ~*

I would often talk to Hilda after services at Trinity. She was lovely, sweet, intelligent and so calm. I enjoyed our talks and have missed them. To her husband, children, in-laws, and grandchildren, I want you to know that Hilda was special to many, many people. She was a gift!
