“ *Howard was a Brother Police Officer and we worked very closely over the years. It was an honor to know him. He was a professional law enforcement officer without question. Over the years it was very evident that he loved his wife Virginia and his family. He spoke of them always. In our later years I met him many times at the doctor office or other medical facility. We laughed about how we spent our retirement traveling to the medical offices. May God Bless Howard and his family and may the perpetual light be eternally on him. He was a good friend indeed!*

My only regret is not getting you out on the boat! You always supported the Police Unity Tour. You were a friend, mentor and confidant. I / we will miss your stories as they were the laughter that filled the room!

I'm heartbroken....this loss is immeasurable for me and I'm sure for many of us who knew, worked with or ever met Howard. An extraordinary human, leader, mentor, father.....and storyteller. Rest in peace my good friend. You're influence on countless humans could never be underestimated. You are my hero and I will miss you every day, Howard.... Godspeed, my brother. Tim Henry.

A great man who will be missed by all who ever met him. It was a pleasure to have worked with him at the PD and later the Fire District. I am happy for the times we had riding motorcycles or just hanging out in the garage with a few Miller Lites. Until we meet again my friend. 🙏🙏

Howard was the best policeman ever! Even as Lt, and while home on the weekend. he would respond to squad calls in Lenola area and to serious crimes in the region. He was a great friend to us on the volunteer ambulance squad and the entire community. May he rest in peace.

Mr. Mann is one of the finest human beings I have ever known. He was adored and respected by anyone who knew him. That is a fact. He was fair, honest, genuine, and had a sense of humor that could make even the most stone-faced person laugh. He was like an Uncle to me, maybe more. Perhaps that's why half of the community, especially those from my generation, called him Uncle Howard. He was caring, too. I know he saved my butt more than once. I have many childhood memories from being around the Mann household as a kid. I'll always cherish those moments. And, my time in Uncle Howard's presence are some of the darn good memories. I really looked up to him and the entire Mann family. My condolences to the Manns'. Uncle Howard will truly be missed. Mike jr

L T as everyone on the police department knew him was always larger than life! His stories were the best, his support for his officers was unmatched and his dedication to serving the community was without question. There are too many instances of him showing up to assist me during arrests when he was off the clock to list, but he truly was a cop's cop. It's hard to believe he was actually human and has passed, but I'm a better man for having had him as a mentor. I pray for his families healing and recovery after this tragic loss!
