

James E. Campbell

November 25, 2021

James E. (Jim) Campbell passed away peacefully on November 25, 2021. In his final days, he was surrounded by the love of the friends and family members he cherished.

Son of James E. Campbell, Sr. and Jean Campbell (née Finnegan), Jim was raised in Collingswood, NJ. Jim treasured growing up beside his siblings, brother Joseph (Eileen) Campbell and Mary (Dennis) Capella, with whom he shared a lifelong bond.

Jim attended St. Joseph's University where he majored in Food Marketing. After graduation, Jim worked briefly with Texas Instruments before pursuing his dream of joining the New Jersey State Police. In 1978, he graduated from the NJSP academy as the Outstanding Recruit. Over a career that spanned nearly thirty years, Jim achieved the rank of Major and was twice named as Trooper of the Year. However, what Jim valued most about his time with the NJSP were the relationships. Some of his fondest memories were spent with the friends who became family, and the many golf outings and ski trips they enjoyed after retirement. After retiring from the NJSP in 2004, Jim continued to serve the State of New Jersey as a Special Agent with the State Commission of New Jersey.

Jim defined himself not by his career, but by his devotion to his family. In 1986, he married his beloved wife Monica (née Boyle). Together they raised their two children, daughter Erin (Robert C.) Allsop and son Andrew in Moorestown, NJ. Jim was overjoyed to become a grandfather to his grandson

Robert M. Allsop in 2019. His family fondly remembers time spent outdoors together, taking hikes and bike rides.

Jim loved traveling with his family to Europe, running and physical fitness. He could frequently be spotted on long weekend runs throughout Moorestown.

Jim was a voracious reader who was especially fond of biographies and history. He spent many happy days sitting on his back patio reading a book in the sunshine with his Golden Retriever, Marshall.

Jim lived with Lewy Body Dementia for the last few years of his life. He battled the disease with the utmost bravery, grace and strength. The disease never claimed Jim's dignity or sense of self.

Jim leaves behind a legacy of duty, honor and service. He will be truly missed by family and friends.

Visitation with the family will be held on Thursday Eve Dec. 2nd from 6- 8 pm at the Lewis Funeral Home, 78 E. Main St. Moorestown, NJ.

A Memorial service will be held on Friday Dec. 3rd at 10:30 am at the Moorestown Community House 16 E. Main St. Moorestown, NJ.

Family request that people return to their vehicles after greeting with the family and to refrain from contact and the wearing of Masks and Social distancing to occur at all events!

Interment will be private.

“ Sorry am not able to attend funeral. Remember Jim as an affable, smart guy who intensely pursued that which interested him. He was an integral part of our '71 Eustace class. His courage was on display by how he met his physical challenges and his family and career are testimony to his character and dedication.

“ So sorry to hear this. Knew Jim at Bishop Eustace and again at St. Joe's; I was a couple of years younger so mostly saw each other in passing. I remember him as just a great guy - apparently so does everyone else. Sincerest regrets on his passing.

“ Our deepest condolences to Monica, Joe and all the Campbell Family. Jim is the kind of person that all parents hope their child will become, a virtuous man who strove to be the best at everything he did. As a Husband, Father, Brother, Son and and public servant, Jim accomplished that goal. I met Jim at my first station, worked with him at various times throughout our careers in the State Police and had the pleasure of spending time with him when we were off duty. Jim cared about those he worked with and was a mentor to those who knew him. When I was struggling with a shooting I had been involved with, Jim was the one who asked me if I needed to go out for a beer and provided a shoulder to lean on. That's who he was all the time and I'm sure there are many stories just like that from all the people that Jim touched. Jim lives on in all of our hearts and memories and take solace knowing that he is in the most wonderful place anyone could ask for!

Our prayers and love to your family, Brian and Dianne Caffrey

“ I was a Trooper with only a few years in the job when I first met then-Trooper Campbell working out at the Moorestown SP Station. He was very approachable and I noticed right away that he was a great communicator. Off and on through the progression of my career I had several other interactions with him and ultimately became a member of the bureau he commanded. All of my interactions with Jim were very positive and he was always respectful regardless of your standing in the State Police. He was respectful and respected even more. My condolences to the Campbell Family.

“ Dear Campbell Family,

On behalf of my Mother and Father, brothers Jim, Joe, and sister, Martha, please know that we all admired Jim for the gentleman that he was both with his friends and fellow troopers. My father (#1431) always reminded me if I wanted to be a successful man and trooper, to imitate Jim Campbell when he's both on and off duty. After being blessed to observe Jim Campbell for many years, my father couldn't have been more right.
