“ *Although we haven't seen very much of each other in recent years, we shared some good times from our younger days. He was a good man who has left us way too early. My condolences to his wife Sharon, and children, and also to his two sisters, Joan and Cathy. Bob Sandone*

“ *Jim gave me first job upon my graduation from Drexel in 1981. I learned so much from him in the 2.5 years I worked for him, one of the biggest lessons was that you could be successful in business by being an honest, caring person, like him. I was in corporate sales for 20 years and I could see him in my minds eye saying: selling is not telling, selling is listening. The world needs more people like him. Last time I saw him was at the palaestra rooting his for his beloved st joe hawks.my sympathy and prayers to his family.*

“ My deepest sympathy to Jim's family and friends. Jim Mc Veigh was one of the nicest people I have ever known. I worked with him during the 1980s, when I worked for ABC Payroll. Since I went to Villanova and he went to St. Joe's we always teased each other. Jim pointed out that regardless of the rivalries, there was a special bond among people who attended a "Big Five" school. We had other bonds, since I too grew up in Drexel Hill and went to Bonner, though it was seven years later.

*I enjoyed making joint sales calls with Jim because he was always fair in his business dealings. Although I had not seen him for many years, he has been and always will be my role model of the perfect gentleman.*

Thank you all who wrote such kind words about my wonderful husband Jim Mcveigh. He was the good, kind, fair person that everyone spoke of. I lost my best friend, my rock, my soul, and there will never be another like him. Our children and grandchildren are suffering such a loss. Melanoma is a horrible form of cancer. They are are bad. This is one of the worst. He lost the battle July 16th, 2014. I will love him forever.
