“ *I have so so many wonderful memories of visiting with Aunt Jane, Uncle Gary and my cousins: David, Melanie and Stephanie! I was so welcomed and loved by all every time. When we visited in Annandale, we would play in the yard (remember that squirrel who fell in the middle of our circle?) eat great food (Aunt Jane always had that orange drink w/o carbonation so I could have something special), go to the pool with picnic food (we had to wait 30 min after eating to swim--is that still a thing?) and Uncle Gary always led us in playing Spades in the evenings. These visits were missed when they moved to Rhode Island, but were still wonderful when we went up there. We drank Frappes at the Tennis Hall of Fame, bought huge jaw breakers at, hmmm was it Silas Brown Store??? (maybe that is why my jaw is messed up today-ha!), played on the rocky beach watching the Tall Ships come in, driving by the Dark Shadows mansion, going to The Breakers mansion, eating seafood that Aunt Jane cooked so well (thought hearing those lobsters scream sent me running outside!), Vacation Bible School in the neighborhood, and more games each night. All the while, and still today, I can hear Aunt Jane's fun laugh, and see her smile with teary eyes that said I love you. As I said before, I felt so so loved by her and this family. What a blessing they were and still are to me.*

*I am sorry I cannot attend the funeral. But know that I am there in spirit and wishing. I love you all!*

“ Dear Gary, David, Melanie, Stephanie and your families -- I am so sorry to hear of Jane's passing. She was such a wonderful person -- such a wonderful sense of humor and always laughing. Perhaps that is where my sense of humor comes from. We loved visiting you at your homes in Virginia Beach (house on stilts), Groton (played on the bomb shelters behind housing), Annandale (we watched the walk on the moon with you all) and in Portsmouth (our wonderful visit in 1982 for the Tall Ships tour). As a teen, Aunt Jane babysat a few times and put chocolate chips in the freezer for us as a treat.

My love and prayers to you all.

Dear Melanie,  
We were so sorry to hear of your Mother's passing. We enjoyed both your Mother and Father when we lived in Moorestown. We always had such a good time with them in our Gourmet Dinner group. We also had seen them at Naval Academy reunions. Our thoughts and prayers are with all your family. Especially your Dad. Harry and Mimi Lewis
