ME

“ *Janis, Robin, and Family, Jane was such a special person to me and many people. I knew her most of my life and she helped celebrate many of my special occasions. She was always so loving and lively at all events. My Mother adored her as I did too. She loved bragging about her girls and all of her grandchildren and great grand children. You know that all of you made her life so happy !!*

I Know we will all miss her strength and love but she will have a special place in heaven to share her love and liveliness to her loved ones waiting for her.

Wishing you many Blessings and Peace.
