“ *Sister Dear I miss our Sunday phone visits the most. I'm so glad I was able to see you in Florida in March and we had one more shipping trip together.*

*You came into this world first, got married first and now have left this world before me. I'll never have the chance to have a "first" before you now. Love, your Twin. 💔*

“ Jane's love for dogs and nature and her warm welcoming spirit will be missed. Our fondest memories of Jane were watching our dogs play together in her backyard and talking about life, dogs and nature. Our heartfelt condolences to Rich, Jenny and Joan. May you find comfort and strength in each other, and in your many friends and neighbors who care about you, during this difficult time.

“ I am Jane's cousin in Delaware. Of course , being 10 years older than Jane and Joan, I've known Jane her entire life. Full of energy, sass, and spirit her whole life. I will miss her and treasure her for the rest of my life.

“ Jane was the perfect college roommate and lifelong friend. I have always appreciated her positive attitude, strong convictions, and complete honesty. She found joy in life's simplest, but most profound, gifts: family, friends, animals, and nature. Her smile could light up a room, and I have no doubt that her legacy will continue to shine through her daughter, Jenny, and grandson, Joshua. Rest in peace.

“ So many happy memories of riding our horses together, and dinners at my parent's house, in Moorestown. Have been friends since 5th grade. Will cherish our times together always❤️

“ I have great memories of Frost Valley! Especially of our epic happy hours! And I remember how Jane could always make things easier — whether finding the perfect walking stick or creating a system to get the snow tubes back up the hill— she had a creative solution for every obstacle! Her energy improved the experience for all of us! Thoughts and prayers for Rich, Jenny, Stephen, Joshua, and the entire family.

“ *I am so sorry to read this. Jane was a friend and co worker at South Valley. We were in the same class in grade school. Later in life we caught up with each other at SV. We had so many conversations about our labbies. I would always see Jane and her husband walking Cody and Midas. She always had a smile! Rest in peace my friend! My thoughts and prayers to your family.*
