“ I just found out and wish her wonderful children my most sincere condolences. Janet is a beautiful person in every way.

“ We were closest cousins in age and I grew up with her in Brooklyn; it was a sad day indeed when she passed on to be with the Lord; she went to my senior high school prom with my best friend and was also the bridesmaid at my first wedding. Tante took care of us when our parents were away; I am glad that I came back from WY to visit her in Jul 2017; we have had many great phone conversations over the last 3 years or so and I will miss calling her.
Rest in Peace Cousin Janet

“ A sad day indeed as my closest cousin Janet has departed this earth; we grew up together in Brooklyn and played together from my earliest recollection. Tante would always watch out for us and make treats for us. She went to my senior prom with a best friend of mine and was the brides maid at my first wedding; was glad to visit her last summer and enjoyed long telephone conversations with her from WY. Rest in peace Cousin Janet

“ Hopping out of her sporty white car with a big, genuine smile, a heartfelt hug and a twinkle in her beautiful blue eyes, Janet was always a breath of fresh air to see. Youthful, vibrant and positive (and really cool!), she will surely be missed. We are so sorry Amy has lost her best friend. the Murphs'

“ *I will remember the laughs and stories we told the Monday before Janet's passing. She had a huge smile, we held hands and we talked about wine and having dinner together and of course took selfies together!*
