“ *I met Jay in 1981 when I moved from Paris, France to Cherry Hill. Jay became my accountant upon arrival and also my mentor in golf as he sponsored me at Burlington CC. Jay was a "really good" guy who was well respected personally and professionally. He will be missed, but I will always smile and celebrate the 40 years that we knew each other. Jay...start working on tee times for me and your other friends in heaven. Donna - you are great and have always been a great partner to Jay and a great assist to me and my family. Stay well and safe..*

Bob what a beautiful tribute to Jay. Seems like we've known you and your family forever. I remember our offices on Kings Highway. Jay was blessed to have you as a golfing Buddy. He could not wait for tax season to be over so he could get back on the course. That was the love of his life. He taught me to play many years ago and I must agree it was a fun sport. I will miss talking to you and Grant. I sent Grant a note today. You have a beautiful family. If you are ever in South Jersey do stop and say hello !!! I will miss Jay more than words can say.

“ Dear Donna and Family,
We were shocked to hear of Jay's passing and are deeply sorry for your loss!
It was only a couple of weeks ago I spoke to him about golf. He certainly loved the game and Deerwood CC.
In fact, about a year ago we were both in physical therapy, I know over the years he had some big challenges, but he always had a strong will and succeeded in overcoming those challenges. He was a positive force in moving forward and looking to the future rather than dwelling on the past. He will be sadly missed by all those who knew him!
All of you will be in our prayers!

“ *I probably first met Jay when I could walk and talk around 1940. The Conway back yard on Central Ave connected to our side yard on Dawson St. So many memories. Sometime around the late 40s he said to come with him to Moorestown Field Club
Thus started my 75 year association with golf. Thanks Jay.
My condolences to all the family. He never forgot an old friend.
That's special.*

So great he introduced you to golf. He loved the game and played his entire life. He couldn't wait to get out on the course after tax season. Thank you for your thoughts.
