

Jean A Romanoff

July 29, 2022

Blessed Memory ! Jean Ann Romanoff (nee Wozniak), on July 29, 2022, age 78, of Moorestown, NJ.

Born in Passaic, NJ to Stanley and Helen Dombrowski Wozniak, Jean studied nursing at the Jersey City Medical Center, where she would meet the love of her life and future husband, Nicholas. She subsequently continued her nursing profession at Baylor University Hospital, Houston, TX.

Jean was the beloved wife of Dr. Nicholas Romanoff for 58 years. She was the cherished mother of four beautiful daughters who she lovingly called her "4 C's": Catherine Romanoff LaGrua (Daniel LaGrua), Christine Romanoff, Casey Romanoff Coffin (Shannen Coffin), and Caryn Jeanne Romanoff Giannini (Lorenzo Giannini).

She was the devoted grandmother of eight, who affectionately called her "Jay": Cayleigh and Nicholas LaGrua; Alexander, Abigail, and Anastasia Morris; and Caroline Jean, Brendan, and Declan Coffin.

Jean was a stay-at-home mother, an avid reader of history books and mystery novels, and was a Sherlock Holmes enthusiast. Jean was an artist and would often take out her sketch book and, with her graceful flare, pencil the exact likenesses of those in her presence. As a child, Jean would sing and tap dance on television, and, being proud of her Polish heritage, would later be heard humming along to Chopin.

She delighted in all things lovely, gracious, and elegant. This was reflected in the beauty of her warm and welcoming home that had a revolving door to the

friends of her “4 C’s,” who were also embraced as family.

“ Memories of our time together each week flood my mind and on Thursday at the exact time I would be entering the house to say hello I will be saying goodbye. We shared a love of reading, Christmas, hallmark movies, talking about history, and food. I will miss our weekly chats. Say hi to my grandparents and nephew up there. I know you are with your parents and Brian looking down on us. Sean, Libby, Grace and I will miss you dearly and thank you for loving us like family.
