

Jeffrey A Lex

July 24, 2024

Jeffrey Alfred Lex, a true patriot, went home to be with the Lord on July 24, 2024, at the age of 68, in Moorestown, NJ. Jeff was born and raised in Brooklawn, NJ, where he made many lifelong friends and memories. He dedicated 40 years of his life to a career at Lockheed Martin, where his commitment and hard work left a lasting impact.

Jeff had an unwavering love for the Lord, his family, and unfortunately, Philadelphia sports teams. He was an unrelentingly hard worker, willing to do anything to support his family. He maintained a pristine lawn, enjoyed body surfing, and was always up for bible trivia or the challenge of an all-you-can-eat buffet. His legacy will live on in the hearts of those who knew him, largely through his signature “Jeff Lex” anecdotes and phrases. His presence will be missed, but will surely live on, as many recall and share his legendary stories. Jeff is survived by his loving wife Victoria, sister Carol, children and step-children Keith (Megg), Nicole (Russell), Jen (Leigh), Denise (Jeff) and many grandchildren, nieces, and nephews who will all miss him deeply. He was preceded in death by his parents Dorothy and Alfred, and brothers Michael and David.

Services will be private. In lieu of flowers, the family asks that any donations be made to The Tender Adult Daycare, <https://www.thetender.org/donations/>

“ I grew up with Jeff in Brooklawn and even then he always had “Jeff” sayings and songs. During the summers we would go over to his house to listen to his dad’s stereo, you could hear it 2 blocks away. RIP Jeff Tuss

“ I first met Jeff while I was at Moorestown Bible. He would help with the youth group there, and was the nicest person you could meet. Jeff was always there to listen and offer advice if needed without judgement. His knowledge of the Bible, and life in general was great, and he could relate to most stories with personal examples from his own life. My prayers go out to his family in this hard time.

As a young teenager, I started attending “youth group” when Jeff was one of the volunteer youth leaders. Jeff made an eternal impact on me and so many of us. In an era of rigidity in church culture, Jeff was always fun and he was always honest. He never acted like he was perfect to us and was willing to let his mistakes be lessons for us to learn from. I am grateful for his impact on my life. My prayers are with his family. May God bless you all.

I also grew up with Jeff in Brooklawn. We were from the other side of town. Many memories with Jeff from kindergarten, little league, seniors in high school. I'm sad for the loss of a lifelong friend.
