“ Though I lost contact with Jeff after college when I moved to California, Jeff was one of my very best friends all the years growing up He and I spent countless days together and shared many good times. He was always a great friend to me. My thoughts go to Andrea and Shirley. Dave Derse.

The Stumpp family lived across the street from us growing up and Jeff was the same age as me! Our families socialized often and the Taylor girls have many fond memories vacationing in the Poconos and our boat together. Jeff and I shared many classes together and were both in the Middle and High School bands!!! We are sending lots of love to Shirley and Andrea. Xoxo The Taylor girls. Linda Janet and Suzanne.
