“ I met Jeff a few years ago at a helicopter seminar. We spoke about my goal to enter into a second career as a helicopter pilot and how hard it was. Jeff shared several stories with me and encouraged me to pursue my goal. He recommended that I talk to the NJ Forest Fire Service where he once worked. Fast forward, I have been blessed with the opportunity to now work with the NJFFS and have only one person to thank for leading down the right road. Thank you Jeff, I hope you got to use that gift card. I only wish I was able to sit with you one more time to let you know how I made out. You will be missed and forever in my thoughts as I push forward.

“ I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures (Rev 21:4) gives the assurance that God will end death, pain and sorrow.
I hope this brief message brings comfort to you and your family.
