“ *Hello Carol*

I offer my condolences on the death of you mother. I remember her well and you. We grew up together in childhood and departed to our separate lives. I would have enjoyed seeing you at the service but I to was a funeral. Enjoy life and the grand children, we do.

“ Dear Carol, Janet, Joey, Cindy & Joanie,
I am so sorry to hear about Aunt Joan's passing. I was just at the nursing home last Sunday afternoon and had a nice visit with her and Aunt Claire. I even went down to an activity with them. Aunt Joan was smiling and talking to me. she asked about mom. We talked about all the angels she had in her room. It was a very nice visit. I'm so thankful that I stopped to see them. I will keep you all in my prayers. I will miss her and she will always have a special place in my heart. Love to you all.

“ Joan and Joe were among the first people I became involved with when I came to St. Stephens. I have fond memories and visited Joan several times while she and my mother-in-law were both recent residents of the Masonic Home. Although I will be elsewhere doing a funeral on Friday, Joan and the family will be in our prayers.
