“ *I am so sorry to hear of Johanna's passing. The brief time I knew her she was a strong lady who fought hard to defeat her illness. My sympathy to Kevin and your Dad!*

“ The one thing I think about when I think of Johanna is humor. She could make you laugh with a simple comment and come right back at you if you made a jab at her. At family picnics or parties, there was always laughter because of her sense of humor. She and John were a perfect match, where one left off the other would pick up. I always looked forward to seeing her and John because I knew it would be a fun time. I also remember playing badminton at family picnics and if you missed a return, she was quick to let you know it! I will miss her very much but I know that she is at peace and my thoughts and prayers are with John and Kevin and her family. My condolences to all. Mike Berchick

“ *Many happy memories shared with my only sister over the 63 years of her too short life. Most vivid memories are of Christmas Eves spent as a family at the Higman house. Many a July 4th barbaque also fondly remembered. The world will never again be as happy. My sister will be dearly missed but always remembered. Jim and Karen Zulker*
