“ *I never knew a lot of this about Uncle Jack. I'll never forget that he drove me and my dad to the church when I got married. He was the only one in the family that had a luxury car. He was a kind and gentle soul. He will be missed.*

I have always looked up to Jack because of his strong character and humor. Although I was much younger then he was he always treated me good. I respected his intelligence and character. Sonja is proof of his good choices. Lots of love, Ken and Sue Koller

I always considered Jack a dear friend since our days of sitting on the Lumberton Planning Board. I was new to the town and he welcomed me in and made me feel part of the community. His insights and humor were always a pleasure to be around.

Your friend, Gregg Gravenstine

“ *Uncle Jack was one of my favorite uncles growing up.*

He was a serious man but also could be quite funny.

I was always happy to be around he and Aunt Sonja.
