“ I've been remembering our youth and all the memories of our intertwined families. I keep going back to one summer, so long ago. The Applegate/Kenuk clan had rented a duplex on the bay, W. 38th Street in Brant Beach. Far too many memories for a wall but I'd like to share two. I'm not sure what year this was but I don't think John was even a teenager yet. He and I decided to take the sunfish out one afternoon. Each of us thought the other could sail. We got stuck in irons and then drifted into the channel and we were off! Many hours later a kindly boater stopped and towed us into shore. As if that wasn't humiliating enough, he towed us to a sailing school where the instructor was one of my classmates. I don't think I've ever seen John laugh so hard. As I was the older one, I think he felt vindicated. That same summer, John and my father (EJ) started a beach walking regimen for fitness. It had to be called off though because John talked nonstop from the time they left the house until they returned. Although EJ was a loving, patient man, John proved to be too much for him. But it didn't stop there. Oh no, they had to have a bet. We were all very competitive back then. They were going to see who could walk the entire island, I believe that's about 19 miles. Have you guessed what happened yet? To avoid cheating of any kind they had to do the walk together. I think EJ made it about 8 miles and couldn't take the incessant talking any longer! John told that story for years. You will be missed, John. You've touched many lives, in many ways, and brightened the world around you. Gone too soon. Love and prayers.

“ *I am so sorry to hear of John's passing. Your family has my heartfelt condolences. It is hard to believe but I was having lunch with my dear friend and college roommate Nora when we learned of John's passing. Almost forty years ago we hung out with him and his friends at the University of Delaware. We blew off steam sometimes by dancing all night long to George Benson and EWF, throwing Frisbee's out on the quad and then heading to Jimmy's diner for a great breakfast!! John was a fun, loveable guy back then as I am sure he is today. It saddens me to know that he is gone. I have very fond memories of those bygone days when my friends and I happened to meet this group of college guys from the Tri-State area. Great times! Every time I drive into Stone Harbor, I flash back to our beach weekend (watching the movie Jaws on a rooftop) and I smile.*

*Rest in peace John!

“ *To the Kenuck family,  
We are so sorry to hear that your dad passed away. You can expect it but it doesn't make it any easier when it does occur. Thank heavens it was peaceful and that he went knowing how much he was loved and supported by all of you. Our thoughts and sympathies are with you..

“ John will be missed. I know we did not keep in close contact but he has a place in my heart and life forever. I had the pleasure of knowing John in my college years and having many, many great times together. He had the biggest heart and was the best person anyone could have around them. Loyal, trusting, and an absolute blast to be around. His favorite saying was "Strong like a Bull" and was he ever. Stay strong John and we will meet again. My prayers to you all.
