“ I worked with John. He had an explosive personality. I think the thing I remember most is his love for his children and his kindness to me. May he find peace.

*To my brother John (aka Ricardo) - you were a happy baby, a happy little boy, a happy young man, and the happiest father I have ever known. You had a huge heart that was too easily broken. I hope you have found your happiness once again. Rest easy, John, and know how much you are loved.*

“ *Memories of John when he was very young playing outside are remembered as fun loving & sometimes mischievous, as kids will be kids.... and no Caviar does not come from dad's Fishing box (as we soon found out!!!)*

*I never said thank you. But I really do thank you for writing a memory for those memories so long ago. Julie's was my best friend from 2nd grade to 5th grade. John was only 3 years old when we moved to Chicago. But he was a brat even back then. But he was also kind and had a great heart at 3.  
God, John, I still miss you so much. Thank you Julie for you memory.*

“ John was the best father. He loved his two boys' Connor and Luke with all his heart. John was a lot of fun to be around and had a heart of gold. He was generous to a fault.  
I will miss you little brother more than I can express here. I truly hope you are at peace now.
