“ Dear Diane, Scott and Lisa:

Bill was probably one of the most wonderful persons I've known. Diane was and still is a very good friend. I always loved the banter those two had, kidding each other and just being silly with each other. I was in their wedding 48 years ago. Amazing how fast time flies. I still see us as kids. Diane - you stay strong - you always are and remember that Bill is always with you. I loved him too. I will always be grateful that he was my friend.
