“ *My time with John was coming to the house and taking care of him. I enjoyed our conversations. John mostly talked about his dogs and how much he missed them. He also spoke of how much he liked going up to Maine every summer and how much fun he had. I believe he is reunited with his dogs and can run and play with them as he used to. I only knew him for a short while but he was a kind happy soul. May he rest in peace!*
