Joseph H. Hess, 82, of Marlton, NJ, passed away on September 26, 2023.

Joe was born on December 28, 1940. He was a loving husband, a kind-hearted and giving man. With a twinkle in his eye and mischievous grin, his quick wit was the source of many smiles. Joe was highly intelligent and belonged to Mensa, the High IQ Society. He was a lifetime fan of the game show, Jeopardy, where he could test his formidable knowledge. He was also a very adventurous soul who traveled the world the way most of us only dream of doing.

In addition to his love for adventure, Joe had a creative side and was an accomplished artist. His amazing paintings will be cherished forever. Joe had a deep love and affection for both domestic and wild animals and they, in turn, adored him. Of all his passions though, his greatest was the ocean. He found solace and joy in spending time on the sea which brought him a sense of peace.

Joe attended military school and served in the United States Army. Throughout his career he was a successful entrepreneur, owning various businesses ranging from sub shops to professional bingo halls. He also worked training pilots and sharing his love of flying. His dedication and hard work were evident in the success he achieved.

Survived by his beloved wife, Carole, his sister, Theresa, and a blended family that spanned generations, including stepchildren, step-grandchildren, step-great-grandchildren, nieces, and nephews. He was preceded in death by his father Joseph J. and mother Theresa.

A Celebration of Life will soon be held to honor Joe's remarkable journey. Service details will be shared with family and close friends.

Joe's memory will forever be cherished by those who knew and loved him. May he rest in peace.
