“ *I went to school with Joe and he was always such a nice guy - I haven't seen him in many years but he is gone too soon!*

“ *Uncle Joe was one of the coolest dudes you ever met, never met anyone who was so mellow, he will be missed, but never forgotten*

“ *Joe was my uncle. He was an accomplished accordionist, and switched over to synthesizer in the 1970's. He is still a strong influence in my own music, as I use many synth pads in my original compositions. He had a very sharp sense of humor and would ride with us at the farm at times, when the bikes where running. He also had a knack for finding rescues It's a shame he passed away so young. Rest in peace, JB.*

“ I have known Joe for many years. I live up the street from his home when he lived in Moorestown.

We both shared stories of our love for Motorcycles and our 1996 Corvettes, his Silver and mine Red.

I regret not getting a chance to see him, since he moved. He was a nice person and will be missed by all in our neighbor. Gone too soon....God Bless Him.

“ My name is Sean Gallagher, and I have known Joe for nearly 20 years from the jail. Joe was always a soft spoken, kind and thoughtful person who quickly became a friend. Joe will be missed by all of the correctional staff here at the jail and may he rest in peace.
