“ *Thank you Grandpa Joe (and Grandma Alice) for always treating me like a granddaughter. I will cherish the memories of our trips to New Jersey. My deepest sympathies to Grandma Alice, Andy, my brother, Joe (named fitfully after Grandpa Joe) and sister, Lorissa as well as the rest of the family. I wish I could be there in person to say my goodbyes.*

“ Dear Alice,
I was so saddened to read this morning of Joe's passing. I recall meeting you both about 30 years ago through the Timbercrest Civic Assn. First we were neighbors, then we shared many events at Trinity Church. I remember Joe as always a gentleman. I'm sure you will miss him very much. Treasure your memories of him. I will keep you in my thoughts and prayers. Sending {{{hugs}}}.

“ Dear Alice, I want to offer my deepest sympathy, and sincerest condolences on Joe's passing. I often think of you and Joe, and the good times we had at St. Stephen's in Riverside. I'll always remember Joe as a true gentleman. If there's anything I can do for you, or if you just need to talk, please don't hesitate to call me.
Christian Love, Trudy Hullings.
