“ Although I did not meet Mrs. Krainik, reading about her and knowing her daughter Amy Mowbray is a great witness of the values she had and taught to her children and of the love and serving attitude she had for fellow people.

Thank you for your support and care for the children of Hoina.  
May the Lord give you all the comfort your need.

Sincerely,  
Dr. Glory Janes - Hoina.

“ Grandma was a very special woman. She was someone I looked up to, admired, and was a consistent source of love all of my life. She will be greatly missed. I am thankful to have had her as my grandma, will always hold her close in my heart.

I remember Sara talking about how her mother would have been named Bertha (I think) if she had been born any other month but June. Tom and June. What a pair. We all have such incredible parents to smile about and be proud of. Sorry June, I also remember how Sara said you would attempt to discipline the kids back in the spanking era but Sara and her brother (maybe Amy, too) would cry but it really wasn't hard enough to hurt! Always a joy when Tom and June came to Madison, WI, to visit their daughter. Sending love from Mary Galko Bauer
