“ Amy, I was so sad to hear of your Mom's passing BUT when I think of the GREAT, long life she had, it made me smile! You were so lucky to have her for so long and she was so lucky to have such a great daughter! I feel so lucky for all the wonderful memories I have of her...Doylestown, Beach Haven, etc! And, of course all the words of wisdom she shared with me...especially the eve of your wedding! Great lady, great times!!

Please know we are thinking about her, you and your family at this time! I am so sorry I will not be there in person BUT I will be thinking of you all!

Long live the memories of the beautiful June Rea!!!

“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.
