“ I'm deeply saddened by this news of Kelly's passing. I supported Kelly as a contractor to the FAA, supporting cyber security initiatives at WJHTC. She was a wonderful person to work with. We had immense respect for her - she was smart, technical, engaging, very direct, someone we could have open and honest discussions about the mutual goals we were trying to achieve. I looked forward to going to the Tech Center to work with her and the FAA team. She leaves a large void to fill and will be missed.
