

Kyla Jo McVey

May 18, 2025 - June 2, 2025

Kyla Jo McVey passed away on June 2, 2025, born just weeks earlier on May 18, 2025. Kyla's time with us was heartbreakingly brief but deeply meaningful to those who loved her.

During her short life, Kyla brought immense love and light to her family. She is cherished by her mom and dad, and held forever in the hearts of her sisters Kenley, Maya, and Madden along with her grandparents, aunts, uncles and cousins. Though her days were few, the impact of her presence will be felt for a lifetime.

Kyla's parents received a unique sign exactly 24 hours after her passing. In the early morning while they were sleeping, in the 3 o'clock hour, they were awoken by a song playing on their phone, Hollow Coves - Coastline. A song that her sister's now call "baby Kyla's song" which they lovingly request to listen to every day to remember their beautiful baby sister.

May Kyla Jo McVey's memory bring comfort and peace to all who loved her.
