“ *Dear Ransom Family:*

My sincerest condolences for your loss. Legatha was such a nice and kind person. It was my fortune to have known her. Her and Milton were wonderful neighbors. I have such fond memories of both of them growing up in their old neighborhood in Moorestown. My thoughts and prayers are with all of you at this difficult time.

“ *What a woman! She set me on the path to faithful Christian living at a very early age. Cheerful, compassionate, and a joy to know. Hugs to Ruthie and Robert. Your mom was the best!*

“ *Legatha is a role model for all of us on ageing gracefully. She was so smart and I always learned something from her. Just a few years ago while she was in her 90's and I in my 60's Legatha taught me the word "euphonious". We were driving through Cinnaminson and she said that the word was euphonious (pleasant and agreeable in sound). She was my friend and I will miss her so very much. My sincere condolences to Legatha's family, the staff and residents at Riverview Estates, the pinochle club, and all who knew and loved her.*

“ *Dear Ransom family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
