“ *Just heard about the loss. So very sorry and my deepest sympathy goes out to the family most of whom I grew up with. Mr. Collins as I always called him was a great guy. I hope you all find comfort and peace.*

“ *To the Collins family,*

My heartfelt sympathy upon the death of Lee. I was his classmate from the fourth grade through high school (St. Joseph's and CCHS) and I remember him well as a very fine person. My prayers are with all of you. May the Lord reward Lee for his service to our country through the State Police and now he can rest in peace. I wish you courage through these difficult days and future blessings.

“ Lee was my State Police "Coach" My first day in the State Police was at Red Lion Barracks where he informed me he didnt want to be a coach, but in the ensuing months, he taught me what I needed to know in the police world. Lee and I stayed friends, we both ended up in the Casino Unit and he was never too busy to answer a question I might have or help me with an investigation. Great Person.

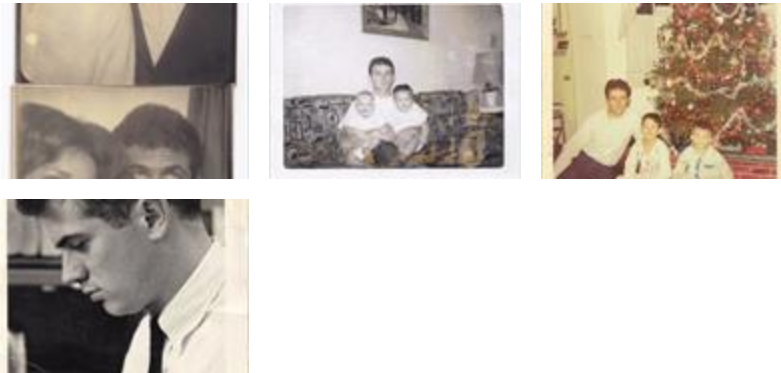

Enjoy your last Patrol, Coach.
