“ I wish to send my deepest sympathy to Lisa's family. I was very saddened by the news of her passing. Lisa and I worked together at the UMH of Pitman and remained friends since. We had an instant connection when we met, so much so, that I considered her as a "soulmate". She was a beautiful person inside and out, gentle but strong. She was loved by everyone. She loved you all very much. She will be with you, always...your Angel.

*Rest in peace, my dear friend. I love you.*
