“ *I am so sorry to hear of your loss of Lori. I worked with Lori for 8 years at Lenox Hill Hospital. We had many laughs together. She was a very smart and dedicated Respiratory Therapist. We would kid her about driving the big "cadillac" to work and parking it on the street on the Upper East Side. I moved to the west coast so we lost touch. Coming back east a couple years ago, I heard she was sick and left her a message on her voice mail.
I am sorry for your loss as a family.
I will miss her laugh
