“ We are thankful for Louis' devotion to the cause of childhood cancer. Many children have benefitted and continue to benefit from his commitment to and generous support for childhood cancer research at the Children's Hospital of Philadelphia. This dedication to discovering new treatments and improving the cure rate is carried on by his family and is memorialized in the endowed chair the bears his name as well as the name of his beloved wife Amelia.

“ It was my great pleasure and honor to get to know Louis and the Canuso family. One always saw the love they shared and knew that the wonderful accomplishments and friendliness of his children and grandchildren were a reflection of the love of Lou and Amelia. Emerson said:

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well"

Lou did all of these things and in doing so made himself, his family and those he met happy.

“ *I write this with a heavy heart! I offer my condolences to all of those that were touched by Uncle Lou! Truly an amazing man, amazing!*

I often don't remember what I did yesterday but I do remember the times I was lucky enough to be in the presence of not only Uncle Lou but of dear Aunt Amy as well! I remember some summer visits like it just happened. My sister and I Julie would often swim in their beautiful pool at their loving home! Amy Lou would play with both of us in the pool which we absolutely loved! I remember Uncle Lou's big smile and laugh and how he made us feel so special! How Aunt Amy welcomed us with love and her beautiful endearing smile! I remember feeling so good being in their presence. The swimming, the sons and daughters that would pop over to visit with us, the great big feasts that we were so lucky to share together! I remember Aunt Amy and Aunt Mare making so much wonderful food and filling up the giant kitchen table! We often see things as a child as larger than life, Uncle Lou and Aunt Amy were larger than life! They truly were! I cherish those moments, always will!

I am very thankful that my father Frank DiGiacomo got to re-connect with Uncle Lou! I know that he truly cherished those moments! My Dad told me that Uncle Lou was one of a kind, a one of a kind man that is truly rare! Hard-working, faithful, giving, family first, caring and most importantly loving!

Again I offer my deepest condolences, prayers for healing, hugs and love to all those that were lucky enough to know him! I know this is tough and painful to say goodbye but he is now in the presence of God and those that went before him. Can you imagine the feast, fun and love being shared right now? Those of you that knew him, especially his kids, grandchildren and great-grandchildren were truly blessed! Hold on to all of those special memories.

*With love,
John DiGiacomo*

“ It is with a heavy heart that I write this message! I want to extend my deepest condolences to all of those that were touched by Uncle Lou. He was an amazing man! Truly amazing!

I don't often remember what I did yesterday but I remember the times I was able to spend with Aunt Amy and Uncle Lou like it was yesterday! I was lucky enough to spend some times over at their beautiful home as a kid and got to swim in their pool. I remember those moments like it just happened. Moments where my sister (Julie) and I got to play with Amy Lou in their pool on some beautiful summer days! When you are a child things sometimes seem larger than life, and Uncle Lou and Aunt Amy were larger than life! I remember Uncle Lou and his big smile and how he made us feel so welcome and loved! How sweet Aunt Amy would treat us with so much love, you could just feel it! Her smile was so endearing and to me both of their smiles just lit up the room. I am so fond of those memories, swimming, seeing many of Aunt Amy and Uncle Lou's kids pop in and out, eating a big feast, and in my eyes at the giant kitchen table filled with the best foods you could ever eat! The food was created with love by Aunt Amy and my sweet dear Aunt Mare. Those are times that I cherished and still cherish today and ALWAYS WILL!

I know from my father, Frank DiGiacomo, that Uncle Lou, was one of kind, a hard working, loving, family first, caring, man of faith that you will rarely encounter in your life! Aunt Amy is in that category too! I am thankful that my father was able to spend the last several years re-connecting with Uncle Lou, I know it meant a ton to my dad.

I know that Uncle Lou provided an incredible life for all of his children, grand children and great children! I admire the man he was!

All of you that were in his life, in his presence, (especially his children) are beyond blessed to have had this incredible man in their lives! Albeit it's incredibly tough and painful to say goodbye! Keep in mind he is now with so many loved ones that have gone before! Can you imagine that feast? All those people up their laughing and loving!

Again, I offer my condolences, prayers and big hugs to all of you who were touched by a GREAT man!

Love to all of you,

John DiGiacomo

“ Lou was my dear Godfather. From the time I was a baby he & Amy were the most loving & caring Godparents you could ever have. So many nice memories of our families spending time together... Especially the get-togethers on the weekend around the pool. Every year, for so many years, a lovely gift always arrived for my Birthday. I always felt a connection to their faith and love .

I will truly miss Lou's presence in my life, but feel peace knowing he is with dear Amy.

I know my father who passed away this year will welcome Lou to heaven, as they were very close and could talk endlessly together...

Lou's faith, generosity, love of family and enjoyment of life has touched many... and will be missed...He was truly, one of a kind.

My thoughts and prayers are with the Canuso family.

Sending my love,

“ Dear Joe, Mary, Jerry, Theresa, Georgeann ,Frank, and Amy,
I am so sorry for the loss of your dear father. He showed a genuine interest in whomever he met along the way. He left one with a feeling of having shared a bit of time with a person possessing a heart of gold.

I fondly recall your dad's phone calls to check in with me during an illness, his kind invitation to share a family meal at the Evergreens where he delighted in making sure we were all having a good time together, but most of all his great love and devotion to his family.

Your parents made a life together built on enduring qualities of friendship, affection, shared interests, and compassion for others. They made trips to Ohio so they could visit with Aunts Mary and Marie. They always found time to be in touch with those dear to their hearts and conversations with them were always a bright spot in someone's day.

Your loss is great, but great too is the joy of knowing you were loved so tenderly.

With deep sympathy,

“ We were very sorry to read Lou’s obituary in today’s newspaper. He was such a dear and caring man, and kept in touch with us after his dear wife, Amy, passed. He invited us to dinner and a musicale at his Moorestown retirement home and we had a lovely time as we talked about our family memories. Our thoughts and prayers are with his beautiful family, both here and in heaven...

“ Our family was so blessed to have Aunt Amy & Uncle Lou in our lives. They were a remarkable couple whose faith informed every aspect of their lives. Their kindness, generosity & love touched so many people. We cherish the family gatherings we shared with them & our cousins at the shore & in their Moorestown home.
Over the past several years I’ve been fortunate to have had regular conversations with Uncle Lou. He had a great sense of humor & we had many laughs usually about politics. But his favorite topics were his family & the business. He was so proud of his family & especially enjoyed talking about his grandchildren. He so enjoyed getting together with the family for Holidays & special occasions. He also took great pride in the longevity & prosperity of his creation, Louis P. Canuso Inc. under his family’s very capable leadership. He was an extraordinary man who left a lasting legacy. He will be missed but we are all better off for having known & loved him.
Our thoughts, prayers & love are with the Canuso family.

“ To the canuso family, I'm so sorry for your loss. Mr C. Would come to office everyday with a smile on his face and made sure he said good morning to everyone. One memory I have is when Joe had asked me to give a tour of pipe house to all Mr Canuso's friends from the development he lived in, (they came on a limo bus in style) I said without hesitation NO PROBLEM! So I jumped on the bus and explained what we Did in pipe house on day to day basis. (He absolutely loved it) when I was done he shook my hand and said thank you very much they loved it! Mr C, you will be sadly missed by so many people but now you can Rest In Peace with the love of your life!

“ *A Man's success is not measured by the thickness of his wallet , not ,the size of
his holdings.*

*It is measured by the quality of the character of those he loved and lived him . By
this standard , Louis P. Canuso's success was nonpareil . From his life long love
Amelia to his 10 great grandchildren . He left in each of their hearts a legacy of
faith , forgiveness , kindness , humility , and generosity .*

His gentle hand and loving way will go on because of his legacy .

May God bless all his family in their loss .

“ Not very long ago, we were sitting together talking. Mr. Canuso was going to dinner with a male cousin. I did not realize this and thought he had a date (Mrs. Canuso was gone). I asked him about the “chicks” he said “they loved him” I said - I know it. Then his relative showed up to pick him up and he turned to me and said “have to go my chicks here 🤔 a lovely, lively man!
