“ Eileen and Family: I remember Louise as always kind and patient and someone who always made others feel welcome. She had that same gentle smile she has in the picture Pam shared. She was fortunate to have many years to enjoy all of you and you her. She was really one of the good ones! Take care, Dolores

Louise and I grew up together in Brooklawn and often walked to school together through elementary and high school. We also were both members of "The Club" formed in High School and continued throughout our lives. Always a nice girl, a smart girl and good friend. Proud to have known her. Juanita Straube Higgins
