“Mrs. Schreiber (Louise) was one of the most intelligent, strong yet caring and thoughtful women I have ever met. She left a positive impact on the many lives who were fortunate enough to know her. I once had the privilege to give a presentation to her students at St. Borromeo during one of her career weeks. Although I initially hesitated, I decided to take on the challenge because, well, it was for Mrs. Schreiber. It turned out to be an enjoyable and rewarding experience for me and hopefully for her students as well! Chalk up another positive experience with a lasting good impression. On behalf of my Dad, my sister Kathy, and myself, I pass on our deepest sympathies. Our prayers are with you all Dr. Scheiber, Andrea, Pamela, David, and Karen, et al.

“Louise was an outstanding teacher at Saint Charles Borromeo School, and I was privileged to be the principal at that time. She had a delicate compassion for her students and a special relationship with all the teachers. A strong memory that I have of Louise is the arrival of the TV Show “The Simpsons.” It threw her completely off guard. She could never understand why parents would allow their children to watch such an inappropriate show. Many times we would discuss this. She could not fathom the whole concept and rightfully so. What a brilliant and lovely lady! May the angels lead her into Paradise!

“ Louise was such a good woman who always put her family above herself. She worked very hard years as a teacher with many degrees all the time working and helping her family of 4 children a , husband who is therapist and believed in her faith completely. May the angels guide her paradise , Louise will be greatly miss here but joyfully welcomed on that other shore. My deepest sympathy and love to all.

“ My mom was an amazing cook! She hosted so many holiday and birthdays. She would cook so much food and then tell us to take some home. She was really comfortable and at ease even when hosting 15 people! I remember she even invited an elderly woman who lived next to use named Hannah Baylis to all our holidays because she didn't have any immediate family! She was a generous person. I will miss her home cooked meals very much!

“ I will always remember you as an excellent wife, mother, grandmother, and aunt. I treasure the dress you made me when I was 5 years old and the decorated hand towels and table cloth you made me a few years ago. You were also one of the best cooks I ever met. I know you are proud of the wonderful family you raised. May you rest in peace. Until we meet again, Love, Shelly B. Martinez, Misael Martinez, Michael Martinez, Juliana Martinez

Louise and I taught 5th grade together for many years at St. Charles in Cinnaminson. I loved having her as a grade partner. We worked well together and I was sorry when she moved up to 7th grade. She was a good friend!
