“ *How lucky you all are to have had this wonderful spirit in your midst for so many years. I have only known Mae for the last 20 years as we joined Garden Club at the same time and I always looked forward to her teasing and playful upbeat manner. Even in her serious times she carried good thoughts always.*

Sadness comes at a time of loss but she would want everyone to be happy as she lived an incredible, long and giving life for her family and friends and made herself happy with what mattered most- her loving family.
