“ As children we didn't think about the day we would say goodbye to our parents. Growing up next door, there are many happy memories. These were good people to have as neighbors! My clearest memory was of a family so dedicated to Jesus and their faith. Until we meet again in the presence of our Savior, sing His praises loud Precious Lady. To Bill, Wayne and Peggy, my prayers for your hurting heart. May God's peace bring you comfort in knowing she is Home.
