“ *Colton III is my close and dear friend and fellow Bucknell ('79) grad. During college we spent several nights in their Colonial Avenue home, with Mr. & Mrs. Bread (as i affectionately called them) always being kind and giving us just enough leeway only to get into small amounts of trouble. Mrs. Bread, always had just the right smile, word, and love to give to all of us. May God bless her sweet soul and bring her joy being reunited with her husband, the amazing Mr. Bread. Condolences and blessings also on Colton's wonderful siblings.*

*warm regards,

“ Pogs is with her "Gumdrop" and he is no longer lonely. Peggy and Colton were a lovely couple who raised a wonderful group of children that were followed by equally wonderful grandchildren. Our memories of the many vacations and visits we shared will remain with us forever and the countless laughs we shared from our long friendship. We know that God will reward them with a special place together in Heaven. May we meet again.
