“ Martin always had so much pride...Celtic pride, Villanova pride, you name it. But he also had pride in his senior class, this is a photo from Uchs homecoming of some of his crew.....look closely at photo and Martin is flashing his “2” sign representing class of 1992.

“ All that know Martin knows that he loved the band KISS. So in junior high school he put together an airband to honor them. It was Martin, Philip Eichhorst, Sean Cosgrove and myself....it was so much fun. The airband ended with Sean, the drummer, falling backwards off the stage.

“ I played basketball with Martin on the 8th grade team and at standley park for years. Martin had his “Charlie hustle” and also had super long arms and as result he was the teams defensive master.
