“ *I remember Mary from when I visited my mother at The Evergreens. They were friends. They were regulars at the Monday afternoon Rosary time. She was a very nice, sweet lady.*

“ *I extend my deepest condolences to Mary's sons and their families. I worked for Mary at Computer Sciences Corporation, and she changed the trajectory of my life. When she retired, she ensured that I was placed into the position formerly held by her assistant. I always will remember Mary as the most dynamic and people-person I have ever known. With my sincere sympathy, Karen Forster*

I just now learned of my great friend Mary's passing after searching on Google. She was my fervent mentor and boss while working at CSC for many years. I greatly admired her for the strong, noble and ethical person she was all of the years we were together. Mary was always a wonderful and humorous conversationalist and we had some great times debating all kinds of issues and topics. Her work ethic was remarkable and I remember how she used to say: If you want something done, give it to a busy person. She always got the job done! Mary was greatly admired by CSC management until her retirement. I will miss her beautiful blue eyes and vibrant spirit.

“ Thanks to Steve, who helped set up the visit, I got to see her for the last time almost 2 years ago and introduce her to my new bride. My memory of that visit is VERY good. We were kidding each other like old times from the get-go. In the Hughes family she went by "Aunt Mary Kid" Why Kid? Does anyone know? I remember her sharing with me her late husbands words "you're to mean to die" and laughing about it together. Thanks Aunt Mary for your straight talk and support during some long hard years. Thanks for introducing me to Steve my first cousin who was a stranger to me even in my 40s.
