

Mary E Moore

April 23, 2020

Mary Elizabeth Moore, of Moorestown, NJ passed away at the age of 63 on Thursday, April 23, 2020.

Mary was the beloved daughter of Elizabeth (Souder) and Granville Benjamin Moore. She was the beloved granddaughter of Doris (Myers) and Philip Souder and of Lillian (Hardick) and Granville Moore of Mt. Laurel, New Jersey. Mary is survived by Emma, her beloved King Charles Cocker Spaniel, many family members and dear friends.

Mary graduated from Moorestown high school in 1974 and shortly thereafter began working at the Moorestown Community House as the special event planner. She also spent many years working as a personal assistant for her grandfather, Philip Souder, which brought them both much joy.

Mary grew up learning to sing with her grandmother, Doris, and hand knitting many beautiful items. She enjoyed spending vacations with her grandparents at the Opinicon Resort in Canada; Florida; as well as in Beach Haven, N.J. Mary loved travelling throughout Europe with relatives. Later, she became a devoted caregiver for her grandparents, then her parents, all the while spreading her smile and cheerfulness to all.

Baking, which was one of Mary's specialties, was enjoyed by many members of the Mt. Laurel Friends Meetinghouse during the Annual Peach festival where Mary contributed dozens of cakes yearly. In 2005, Mary, along with her mother, attended the ribbon cutting of the newly constructed horse and tool shed for the Mt. Laurel Meetinghouse, which they donated in her father's

name.

We will never forget the beautiful cards that Mary sent for every occasion from her and her beloved pets. She will be greatly missed by her family, neighbors and friends, especially those closest to her; the Gregorio, Pawloski, Levy and Richardson families. Her generous spirit and thoughtfulness to others was truly a blessing to all who her knew her.

In lieu of flowers, it is Mary's wish that donations be made in her name to the Woodford Cedar Run Wildlife Refuge, 5 Sawmill Rd., Medford, NJ 08055, or the Moorestown Emergency Medical Squad.

A celebration of Mary's life will be held at the Mt. Laurel Friends Meetinghouse after the Covid 19 disease gathering restrictions pass.

“ *Mary, my dear high school classmate and friend, I am so glad that we got to reconnect once again these past couple of years. I loved our luncheons at Blue Fig with Helen Anderson! Thanks for your Thanksgiving and Christmas cards, not to mention the birthday cards since you were just one day younger than me! The day after tomorrow Saturday would have been your 64th birthday which I am so sad you did not get to celebrate. You were such a lovely person and friend. Be at peace in Heaven with your wonderful family. Love you. - Louise*

Thank you for staying in touch with family all these years and gifting us with your light and love and beautiful afghans. I will miss our annual May birthday exchanges.

From Marianne Williamson: "Dear God, Please take the soul and spirit of this dear departed one into the sweetest corner of Your mind the most tender place in Your heart, that she, and we, might be comforted."

“ *Mary, you will truly be missed by everyone. You are my best friend and I think of you as a sister we have had a lot of great times together. I will miss our daily phone calls, weekly dinners, all holidays we spent together. I will especially miss all the time we would go to nail salon and then have lunch and just talk. I am happy that you are reunited with family and hopefully my mom, please tell her I love her. I know you are at peace, you will always be missed.*

“ Mary, you were a beautiful soul and such a blessing to Kai and I. You were truly one of God's angel's here on earth. We are so blessed to have known you and call you "Aunt Mary." We will miss your smile and welcoming hugs. I will miss your friendship and our family dinners at Mark and Dawn's, holiday's, birthday parties, and special occasions spent with you. I will miss our girl time getting our nails done and going to lunch with you and Dawn. I will miss our conversations and laughs. You will be in our hearts forever. I will cherish the memories. I am sad and heartbroken that you are no longer here with me and those who loved you, but I know that we will see each other again someday in Heaven. We love you Aunt Mary!

“ I lived for 30 years only a few houses from Mary on Sentinel Rd. Aside from an occasional wave for 20 years we hadn't been formally introduced. Our paths crossing through her friendship with my daughter and a fellow neighbor. Since, i've gotten to know what a warm, courteous, thoughtful , and caring person Mary was. I feel most fortunate for having her as a friend and regret I hadn't met this beautiful human being much sooner. -Gary.

“ *Mary we miss you so much and love you ❤️ We thank you for Emma we love her so much ❤️ Not a day will go by that we don't think of you and our special memories we have. We know your angel that we can pray too. You always told Bob and I if we find a white feather someone in heaven is looking over us . Today we saw a white feather when we were out with Emma. “ *Mary, you were a part of the fabric of this neighborhood and a good friend to so many of us. We miss you and wish you could have more time to be with us. You are now at peace and hope you know now and knew throughout your time with us just how special you were to those of us who had the joy of knowing you.*

As I look now at your lovely home I remember all the times I saw you walking your dog, getting the newspaper or sitting on the front bench enjoying the day and smiling or waving to us as we passed by as well as the many conversations we had together. Those are memories I will cherish forever as I will the gifts, such as the crocheted blankets and other items, you made for us with your own hand.

Although I will miss your friendship, our conversations, your smile and your kindness, those memories will be with me forever.
