“ *Sending our heartfelt sympathy to you and your family. So glad we saw you last at the Peach Festival. A few years ago we used to meet you and Mary at the Food Quart. We remember when you were at UMC and we used to talk. Becky even came to one of our daughters Birthday Parties when they were in school together. Mary was a special lady and her legacy will live on In the lives of the many people she has helped over the years. God be with you and your family at this difficult time. Sue and Lindsay Mitchell*

“ So many years have gone by since we last spoke. So many things to remember. Practicing Psychotherapy with a fledgling CMHC called Family Services. I remember our youth and optimism. Our commitment to providing compassionate and competent psychotherapeutic care to the residents of our county. I remember our first office at the OTC on Maple Ave. amidst the cardboard boxes. Mary you never lost your optimism, drive and compassion. A great lady. Blessings to you, Mary and your wonderful famiiy.
