

Megan Booth

July 17, 2023

Megan Beam Booth , On July 17, 2023 age 56 of Moorestown, NJ. It is with great sorrow that we share Megan died suddenly today.

Megan was so full of life and love. Her biggest love and greatest pride were her children Samantha (Kyle) Hance and Zackery (Caroline) Booth. Her most favorite times were those spent with her kids. They were her world.

Another love was her job as a paraprofessional at Baker School where she worked for the last 20 years. She adored her Baker kids as well as the many wonderful coworkers who became dear friends. Her entire Baker family was so special to her. When Megan wasn't at Baker or with her kids, you would find her pet sitting. On the weekends, school vacations, and every summer her calendar was fully booked! She loved the animals she cared for almost as much as her children.

Megan was preceded in death by her parents, Joan and David Beam. In addition to her children, she is survived by her siblings, Kathleen Bender, Jeff (Kim) Beam, Paul (Amy) Beam and Bridget (Ray) Munion.

She will be remembered for her very caring and giving spirit. She loved with her entire heart.

Visitation will be held Thursday, eve 6- 8 pm at the Lewis Funeral Home, 78 E. Main St. Moorestown, NJ. Interment will be private

In keeping with Megan's spirit, in lieu of flowers, please make a donation to Burlington County Animal Shelter ,35 Academy Dr, Westampton, NJ 08060.

“ *We just heard of Mrs. Booth's sudden passing today and are so heartbroken. We would like to extend our deepest condolences to her beloved family. Our son, Adamson, knew Mrs. Booth since kindergarten, and through the years we heard her name at the dinner table as someone who always made him feel better on rough days and cheered him on when he did well. He had felt very cared for by her and for that we are forever grateful.*

“ So sorry for your loss. This is such a shock. This beautiful photo tribute captures the spirit both my children always described. Our hearts go out to her family and her Baker family. My son had Ms. Booth in '19-'20 and my daughter Annie had her this past '22-'23 school year. She filled their days with smiles and encouragement. She found ways share with the kids how special each of them are in unique ways in this big universe. She certainly left an impression on their hearts and ours. We are with you in sharing the loss. Sending love. Jaffery family

“ *I worked with Megan for 15 years at Baker. We shared a lot of laughs over the years. She was a selfless person with a big heart. One example of this, is that she took it upon herself to make a birthday announcement card for everyone in the building. The day before your birthday, you could be sure that your name would be posted by the Sign in Sheet for everyone to see and wish you a Happy Birthday. A true act of kindness for sure. Your presence at Baker will be greatly missed!!*

“ Megan will be greatly missed at Baker. She was always the face that would greet students near the Main Entrance and would show people who's in charge during Lunch and Recess. I remember her most as a friendly face who would say hello in the hallways even if you weren't working with her. She would drop by classrooms when teachers are alone to see how they're doing. Over the years, she would check on Steve (Dickerson) and I when we taught 3rd Grade. Asked about family and tennis. You'll be missed Megan and may you show people who's in charge of the Gaga Pit up there. My condolences to her family. With love, Rohan Bhattacharya (Mr.B)

“ Every morning Megan greeted every child by name and petted every dog, she welcomed everyone with her wonderful smile. She helped the children with their backpacks and coats and reassured them and their parents. It's hard to think of a day starting at Baker without Meg. She gave so much to Baker.

“ I have so many wonderful memories w/Megan all of which were filled with laughter...LOTS of laughter. What I admired most was her giving spirit. She gave cheerfully from the heart, ALWAYS thinking and putting others needs before her own. She loved Samantha and Zack, her family, Baker, it's staff, students, animals and Philly Sports teams. Her voice and laugh resonated through the hallways. I miss you already and am blessed for the times we shared. There will forever be a void in my heart that only she could fill.. Rest In Peace Meg thanks for the love and laughter.

“ I can't tell you how many times Megan, Alice and myself laughed so hard while on playground duty. Whether it was something silly a child did or said, we always laughed. I remember one time laughing way to hard and I looked up at Megan and she said, "Julie you go first to the bathroom, you're older," thank goodness for that because it would NOT have been a pretty sight. I will miss you my friend! You were one of the reasons Baker School was so much fun!!

“ For many years I sat next to Megan during volleyball games for East Coast Crush, beach two-man, and Moorestown High School. What a classic fan she was! She was devoted to her children, Moorestown family animals, the children at Baker, her flower and vegetable garden, and her fur babies. I will miss her laugh and presence.
